CUSTOMER CHALLENGES
At Presidio, we help our customers capture the economic value of digitally transforming their businesses. The EXCITE program accelerates business value realization by promoting interaction between the lines of business impacted by the technology choices and those tasked with the implementation process. This methodology constructs a bridge between the deployment of product and the utilization of solutions to drive productivity, increase sales, reduce cost, mitigate risk, ensure business continuity and other business drivers.

OUR SOLUTIONS
The EXCITE program includes six actionable lifecycle phases to address the most often found challenges for a successful technology implementation:

**CUSTOMER SPECIFIC ADOPTION PLAN MODULES**
- **COMMUNICATIONS & MARKETING PLAN**:
  - Clear plan to provide awareness
  - Consistent messaging
  - End-user involvement
- **SUPPORT PLAN**:
  - Knowledge transfer
  - Documented Support Model
- **TRACK**: Participate in soliciting end-user feedback and provide usage metrics to gauge adoption
- **ENABLE**:
  - Training department enabled
  - End-user orientation
  - Champion creation
- **SUCCESS MEASUREMENT PLAN**: End-user feedback & Usage Metrics

**DISCOVER & UNDERSTAND**
- Interview IT Executive Sponsor and identified stakeholders in the lines of business (IT, Cyber, Marketing, Customer Service, User Communities, etc)
- Understand existing processes and cultural considerations
- Evaluate and translate critical business drivers and use cases
- Identify quantifiable key performance Indicators
- Become aware of technical challenges to adoption
- Create and deliver a detailed findings document

**DEVELOP & ADOPT SERVICES**
- Create an adoption plan that addresses communications, marketing, training, support and measurement
- Create and customize email templates, poster templates, flyer templates, quick reference guides and training materials
- Provide train the trainer activities

**LIFECYCLE EXECUTION**
- Conduct quarterly reviews to measure continued progress of the KPI's
- Recommend plan modifications to improve adoption
