Arizona Network and Telephone Equipment and Svcs CTR059873

MANUFACTURER OVERVIEW

www.fortinet.com

For over 20 years, Fortinet has been a driving force in the evolution of cybersecurity and the convergence of networking and security. Their network security solutions are the most deployed, most patented, and among the most validated in the industry. Fortinet's broad, complementary portfolio of cybersecurity solutions are built from the ground up with integration and automation in mind, enabling more efficient, self-healing operations and a rapid response to known and unknown threats.
