MANUFACTURER OVERVIEW

For more than two decades, Infoblox has been engineering game changing solutions for core network services and security. Infoblox is the undisputed leader in DNS, DHCP and IPAM (DDI) market, and most recently, created the world's first cloud-native, SaaS-based networking and security services platform: BloxOne. Infoblox dramatically simplifies complex distributed networking and security by delivering modern, cloud-first networking and security services that automate and streamline NetOps, SecOps, DevOps and user experiences.

DISCOUNT STRUCTURE AND CATEGORIES

Type	Discount	Description
Security Equipment	Custom quoting available with discount on deal-by-deal basis	May include devices operating at any layer in the OSI model. 1. Packet inspection/rule enforcement (ACL, Firewall, IDS, DDOS, etc.); 2. Real time interpretation and response (Application Firewalls, IPS, etc.); 3. Content Filtering and/or Rate Limiting; 4. RAS solutions (VPN, SSL acceleration, etc.); and, 5. Centralized monitoring, trend analysis, health and alerting systems.
Monitoring & Management Solutions	Custom quoting available with discount on deal-by-deal basis	May include software or appliances operating at any layer in the OSI model: 1. Solutions should accomplish the centralization and interpretation of data acquired from networked devices; 2. Solutions should be developed around commonly accepted methodologies and should make use of the newest versions of SNMP and/or TLS; 3. Solutions must enhance security, manageability, and accountability; 4. Solutions interface should be an intuitive GUI, with possible built in CLI and manual configuration abilities; and, 5. Reporting and analysis tool must include canned reports for regulatory compliance with HIPAA, etc.
Other Network Centric Solutions	Custom quoting available with discount on deal-by-deal basis	May include required network elements not present in other categories. 1. DNS, NAT/PAT, DHCP, and other IP Address management solutions; 2. Mobility and session persistence solutions; 3. Authentication.
Warranty Information		Infoblox warranty/support is included in quote.
