

MY Presidio

MyPresidio is your personal portal to Presidio, giving you access to the tools you need to get things done whenever, wherever.

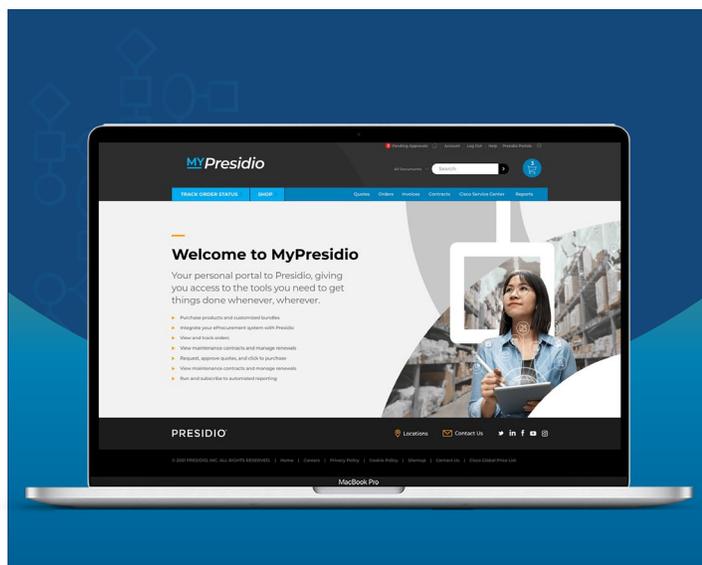

CHALLENGE

You're juggling a lot. You need to place orders and track shipments. Or you need to manage maintenance contracts and renewals. You need a single, integrated tool that can provide the information you need at the moment you need it.

OUR SOLUTION

MyPresidio offers self-serve options 24/7, which makes it easy and convenient to access the information you need. You can browse products, request quotes, and place orders. You can track status of orders and shipments. You can review maintenance contracts and get renewal notifications. Connect your eProcurement system with MyPresidio for a faster and more seamless experience. Get insight into your past, present, and future business with Presidio whenever and wherever you need it.
