PRESIDIO®

# Deliver Your Message, Captivate Your Audience

Create high-quality webinars in seconds on the platform  
millions already know and trust.

# Why Choose Zoom Webinars?

Built on Zoom's trusted video platform, Zoom Webinars empowers you to broadcast your content to large audiences with ease and control.

## Ease of Use

- Set up a webinar in just a few clicks
- Attendees can easily join via web browser or Zoom app
- Familiar interface for seamless interaction

## Scale

- Host webinars with up to one million participants
- Accommodate up to 1,000 video panelists
- Run webinars up to 30 hours long

## Reliability

- Best-in-class video and audio technology
- Eliminate disruptions for a professional event experience
- Trusted by millions worldwide

## Interactive

- Drive attendee engagement through chat, emoji reactions, and Q&A
- Launch polls and surveys for real-time audience feedback
- Create lively discussions and gather valuable insights

## Flexibility

- Choose a pricing plan that suits your event needs
- Support any webinar use case, from employee training to customer events
- Customize your webinar environment with unique branding

## Powerful Features for Every Use Case

### Train your workforce

Scale training effortlessly with interactive workshops and built-in quizzes

### Showcase your products

Create interactive product moments with multi-camera setups and hands-on workshops

### Grow your audience

Expand reach and generate leads through educational webinars and product demos

### Build customer relationships

Deliver memorable experiences with thought leadership sessions and town halls

## Partnering with Customers From Every Industry

Zoom has allowed us to **create new connections and engagement** with the communities that matter most to us."

**Leann Bonanno**  
Group Vice President

**Forbes  
LIVE**

We just got the best feedback from attendees, and even the speakers that were a little skeptical were blown away by the amount of engagement and how smoothly it all went."

**Jessica Joseph**  
SVP, Operations

 NATIONAL KIDNEY  
FOUNDATION.

Host an unforgettable virtual experience for your attendees with Zoom Webinars.
